

## CARGO EXCELLIUM 100 PAINTED TRAY PNEUMATIC WHEEL

### Use

Especially for heavy duties, building and renovation. Loading capacity 200 kg.

**New feet support :**  
- one piece galvanized feet support  
- for more rigidity.

### Product advantages

- Painted frame, with galvanized feet and a new feet support : one piece galvanized feet support, for more rigidity.
- Excellent balance and weight distribution with 70% of the load positioned over the wheel. Its design allows an optimal use and reduces risk of injury and strains for the user.
- Bi-material handgrips for added comfort.
- This tray has a squared bottom and a trapezoid upper edge to enable the load of squared elements (parpaings, bricks...) and the displacement of liquid loads on the wheel.
- Equipped with a pneumatic wheel to enhance comfort.

### Technical data
