

CARGO ALPHA 100 GALVANISED TRAY PNEUMATIC WHEEL

Use

Designed for building, renovation and heavy duties. Loading capacity 250 kg.

Product advantages

- **New Alpha frame**, a one-piece rigid frame with welded support which forms a strong cradle both at the front and on the underside of the tray. This design increases the strength and rigidity of the frame. 2/3 of the load is borne by the wheel and the length of the frame reduces stress during use. Its design allows optimal use and reduces risk of injury and strains for the user. Bi-material handgrips for added comfort.
- Wheelbarrow with a 100 l. anti-corrosion treated galvanized tray. Designed for heavy duties, building, renovation and do-it-yourself work.
- Pneumatic wheel with ball bearings to enhance comfort.

Technical data

CARGO ALPHA 100 GALVANISED TRAY PNEUMATIC WHEEL

Tray	Galvanized 100 l, 1 mm thickness, treated anti-corrosion. Frontal and lateral ribs for additional strength.	Sizes	1400 x 670 x 580 mm.
Frame	Ø 32 mm black painted with integrated tipping bar and welded all round tubular support Ø 28 mm, galvanised flat bar steel foot.	Weight	14,3 kg.
Wheel	Pneumatic Ø 400 mm, with ball bearing, metal disc rim, long lasting notched tyre. Maximum pressure : 2 bars.	Spare parts	Wheel PF 128 Code : 309032801 EAN : 315503090328 3 Galvanized tray 100 l. Code : 309064101 EAN : 315503090641 3
		Codes	Unassembled x 10 : 301320101 EAN : 315503013201 0
