

SACKTRUCK ROLLAX® 950 G

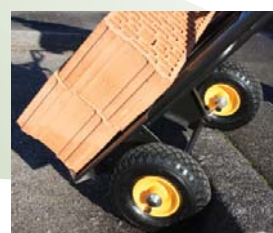

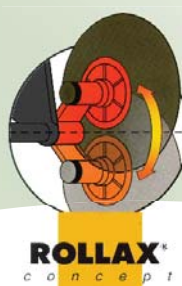

New range
2014

Use

Designed for heavy duties.
Loading capacity 200 kg.

Converts into a trolley

Product advantages

- **Rollax® system:** The patented offset axle design allows each wheel to act independantly. Perfect for uneven surfaces and stairs.
- **Wheel protection.**
- Pram style handle for easier manoeuvrability.
- Converts into a trolley in a few seconds, allows you to transport longer and larger loads.
- Quality sacktruck able to move loads up to 200 kg.
